Hello again,

There are a few additional discussion topics added below, and we will likely need more than half hour to get through it all. Sorry to eat into the lunch hour (haha), but it seemed the only viable scheduling option. If some folks need to leave at noon, that's okay. Conference line information is provided at the bottom of this invite.

Hello everyone,

This meeting will be a biweekly check-in for the imidacloprid, clothianidin, thiamethoxam, and dinotefuran teams across EFED. It can serve as a platform for coordination across teams and with PRD, a time to discuss technical issues and compare notes, and to help keep everyone engaged and on track as we continue to work through the neonic pollinator PRAs.

If you have any agenda topics, feel free to send them to me as they arise, and I can compile them as the meeting draws near. If there's nothing to discuss for a given date, we will cancel.

Thanks,  
Monica
